Subject: Answer to Your Question Re: Manuals

I was able to talk with one of the customer service reps about the order. I was told it should arrive on Friday.

In answer to your question, the service rep, Aileen, told me that these are the original manuals that came with these games when they were released. They were the only manuals available and were in use in 1991.

Let me know if you need any other information.

But I need to make sure that that was the manual in use in 1991

I ordered the Genesis 89 (grey reset button) and the Sega 1 '89 manuals.

Manuals cost \$1.50 each. Only \$1.50 each. I will be calling them at 9:00 Pacific Time to check on the status of the order.
